

California State Assembly

ANNA M. CABALLERO

28TH ASSEMBLY DISTRICT

Dear Kids:

Ever wonder how a law is made? If you ever thought that there ought to be a law to change things for the better, then you are in for a treat. The following coloring book shows you how a bill can become a new law.

Every year thousands of ideas to change existing laws or add new laws are presented in the State Legislature. These ideas are written on a paper that is then called a "bill." Not all bills automatically become new laws. Bills need to be debated and voted on by your state representatives - Assemblymembers and Senators. If a bill passes through all its committees, the Senate, the Assembly and is signed by the Governor, then it becomes a new law.

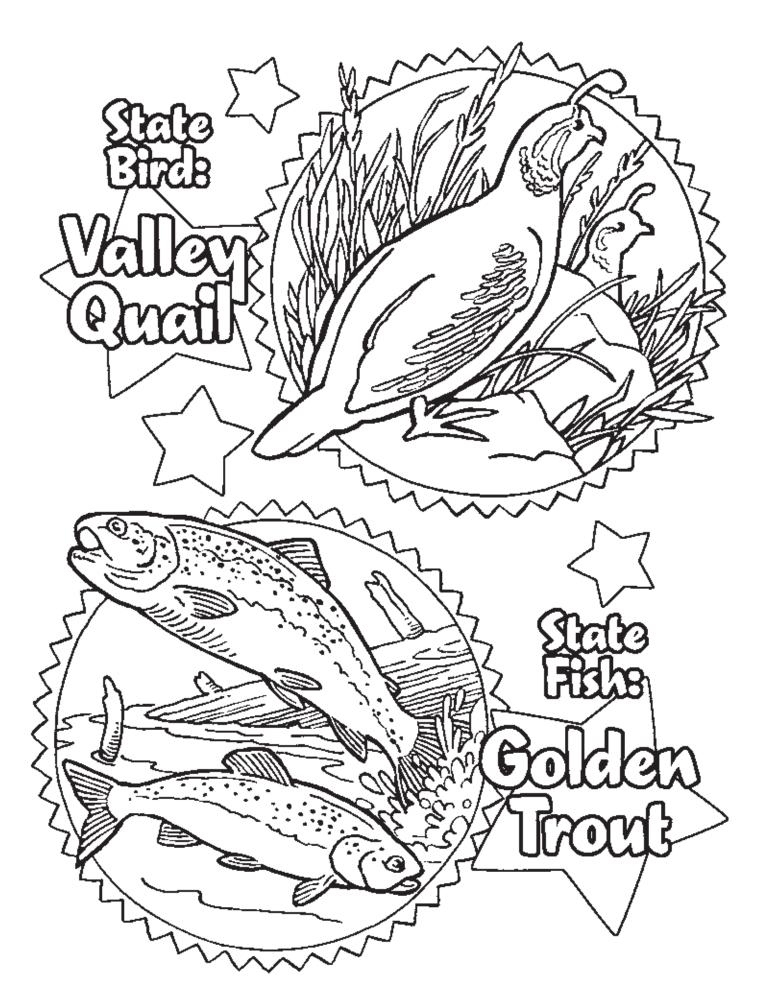

To learn more, just follow your host "Billy." He comes up with a fun idea, makes it into a bill and moves it through the Legislature.

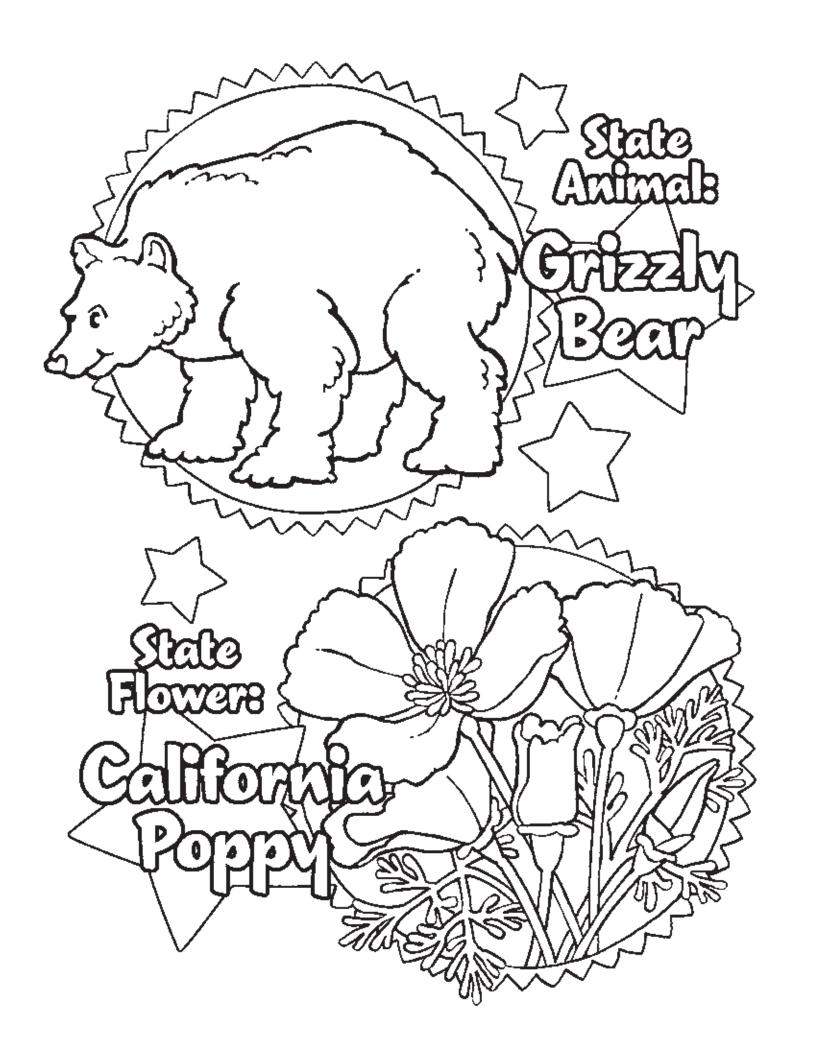

Good luck and have fun learning about turning a good idea into a new law.
